We confirm that we have read and understood The King's School Ely [Terms and Conditions](#) on the school's website and we request that our child be registered as a prospective student. By submitting this Application form we understand, accept and agree the terms as set out in the Declaration on the following page. We will pay via bank transfer /on-line payment or enclose the necessary remittance in respect of the non-refundable Registration fee.

Declaration:

We request that the named child be registered as a prospective pupil of the School and we will pay the non-refundable registration fee.

By submitting this Application we understand, accept and agree that:

1. Registration of our child as a prospective pupil does not secure our child a place at the School but does ensure that our child will be considered for selection as a pupil at the School
2. If our child is offered a place at the School, such an offer will be subject to the School's terms and conditions for the provision of educational services [1], which will bind us (as the holders of parental responsibility for him/her [2]) in the event (and from the moment) that we accept the place;
3. In order to comply with your responsibilities as a registered Tier 4 sponsor, we consent to notifying and/or supplying information relating to us and/or our child's right to enter, reside and /or study in the United Kingdom to the United Kingdom Visas and Immigration (UKVI) unit of the Home office and, in any event, if our child is offered a place at the School, such an offer will be subject to us confirming that our child has the right to enter, live and study in the United Kingdom;
4. If applicable, the School may request from our child's present school or educational institution (a) information and a reference in respect of our child; and (b) information about any outstanding fees and/or supplemental charges;
5. The School may process any personal data about us (or either of us) and my/our child, including sensitive personal data about our child (such as medical details), for the purposes of: (i) administering its list of prospective pupils; (ii) its registration, selection and/or admission procedures, including as set out above; and (iii) communicating with the parents of prospective pupils about the School and generally managing relationships between the School and its prospective pupils.

Notes

A copy of the current terms and conditions (at some school's also referred to the 'parent contract') is available for your information upon request at any time or from the school's website, but please note that the version of the parent contract supplied may be subject to change from time to time. The latest version will always be available on the school's website and major changes to the document will be notified to parents.

Parental responsibility is defined in the Children Act 1989 as 'all rights, duties, powers and responsibilities and authority which by law a parent of a child has in relation to the child and his or her property'. It equates to legal responsibility for the child. If you have any doubts about whether you do or do not have parental responsibility for the child you may wish to seek legal advice.
