

King's Ely Senior

Dress Regulations and Uniform List
2020-2021

Uniform regulations

All pupils must be properly and neatly dressed and are expected to take pride in their personal appearance both in school uniform and when wearing casual dress. This is equally important when travelling to and from school. Sixth formers must wear their suits as if they are working in a smart office environment.

For boys, shirts must always be tucked in and top buttons done up. For girls, skirts should not be too short. Pupils should always wear a jacket as part of their uniform. On Thursday mornings, pupils are allowed to arrive at school in games kit (you must have tracksuit trousers or leggings on) or Ely Scheme kit. Pupils must then change back into school uniform at lunchtime, after their games session.

New Uniform

The School's uniform is available from our online supplier Schoolblazer at www.schoolblazer.com.

Nearly New Uniform Shop

Our Nearly New Uniform Shop is next to the car park near the Sports Hall. This is run by parent volunteers and is open during term time on Fridays from 3.30pm to 4.55pm. Holiday opening times will be updated on social media and communicated to parents. You are also able to email the team using the following email address kingsnearlynewuniformshop@gmail.com.

Owing to current regulations it is uncertain what provision will be offered this year, and we will write to let you know as soon as possible. It is unlikely that the Nearly New Uniform Shop will be able to offer sample sizes to try on, and we suggest you should use the intelligent sizing on the Schoolblazer website to assist you. Should you need to order more than one size, their returns service is very efficient.

We would like to inform you that Schoolblazer have let us know that owing to Corronavirus, they are unable to offer their naming service this year. Please be reminded that all items should be named using labels such as those from www.wovenlabelsuk.com or similar.

Boarding requirements KES/KEI (All Boarders Year 9 - 13)

- All items brought into school must be **clearly named**.
- All boarders will be expected to take their belongings home or to guardians at the end of the school year. Storage can be arranged where this is impractical. Boarders will be expected to clear their rooms each term (some items may be stored at Christmas and Easter).
- All boarders have access to a lockable wardrobe. Boarders need to provide their own padlocks for these.
- Electrical adapters are supplied by the School for international appliances.

Clothing

Senior boarders will require the necessary number of uniform items to replace those being laundered. This also applies to sports kit. At weekends and in the evenings, boarders may dress in their own clothes. It is worth remembering that wardrobe space is limited. As with uniform, please ensure that any casual clothes that will be laundered by the school are named.

Bedding

- 2 duvet covers
- 2 pillowcases
- 2 single sheets (fitted)

This can be brought from stores in town, upon arrival, before term begins

Although the school does provide pillows and duvets, pupils may prefer to bring their own.

Laundry

The school laundry operates a frequent collection and delivery service. All clothing must be colourfast and suitable for machine washing if it is to be accepted by the school laundry. Shirts should be of polyester/cotton material for easy care.

There is no laundry charge but items which require dry cleaning will be charged to pupils' accounts.

Each Senior boarding house has facilities for pupils to do their own laundry if they so wish.
