

KES Remote Learning Provision

Pupil Guidelines for Distance Learning

Following the government guidance (4th January 2021), all pupils will learn remotely until early March. For those pupils who were here last year, the principle is to revert to similar systems as used in the Lockdown period in the summer term.

1. You should register with your Tutor each morning at 08:45, (note 08:30 on the first day of term). Your Tutor will send you a meeting invite. Please ensure you have had breakfast, got dressed and are ready to start the working day. It is expected that your tutor will ask you to switch your camera on for this meeting.
2. The timetable will run as normal. For Tuesdays and Thursdays, the Games Dept. / Ely Scheme (Year 9) will provide challenges / ideas. Please feedback to your tutor what physical activity you have been doing during games sessions.
3. All lessons will be set as Firefly Tasks. Your teachers will advise you where they want you to complete your work. In most cases this will be in your One Note Class Notebook.
4. Each lesson will start with a Teams meeting so that you can register. Lessons will then be a mixture of live Teams meeting and work set. Your teachers may ask you to turn cameras on for interactive parts of lessons. If you do not attend a lesson, your teacher will follow up with an email to the pupil, copying in your tutor and HsM. Parents/guardians will be notified by tutors if there is not an adequate reason for absence or engagement with work is a concern.
5. Lessons will be shortened to 40 minutes to allow for breaks.
6. If your teacher is not live teaching via Teams, they will be available for any pupil questions in the lesson.
7. Prep will be set in the Sixth Form. In Years 9 to 11 prep will be limited to ensure pupils are not overwhelmed and have an opportunity to take a break from their computers in the evening.
8. If you have any worries or queries please contact your Tutor in the first instance.
