

# King's Ely Junior Boarding Requirements (Year 4 - 8)

Junior

- All items brought into school must be **clearly named**.
- All boarders will be expected to take their belongings home or to guardians at the end of each term (some items may be stored at Christmas and Easter).
- All boarders have access to a lockable wardrobe. Boarders need to provide their own padlocks for these.
- Electrical adapters are supplied by the School for international appliances.

## Bedding

Although the school does provide bedding, boys and girls may prefer to bring their own. Bedding fabrics should be of 'easy care' variety, preferably polyester/cotton.

## Laundry

House staff wash some items in the boarding house and the school laundry operates a collection and delivery service twice a week. All casual clothing must be colour fast and suitable for machine washing and capable of being tumble dried. Casual shirts should be of polyester/cotton for easy care. There is no laundry charge, but items which require dry cleaning will be charged to pupils' accounts.

## Additional items for Junior Boarders
