

# King's Ely Junior Uniform

All pupils must be properly and neatly dressed and are expected to take pride in their personal appearance both in school uniform and when wearing casual dress. This is equally important when travelling to and from school.

For boys, shirts must always be tucked in and top buttons done up. For girls, skirts should not be too short. Pupils should always wear a jacket as part of their uniform.

## New Uniform

The School's uniform is available from our online supplier Schoolblazer at [www.schoolblazer.com](http://www.schoolblazer.com). For a small charge, they also supply and sew on name labels, if requested.

Parents new to Schoolblazer will initially need to set up a new account by registering as a New Parent on the website's homepage. Once registered, you will be required to add your child's details; including all relevant measurements. Those already familiar with Schoolblazer will be able to add a new child to your existing account.

## Nearly New Uniform Shop

Our Nearly New Uniform Shop is next to the car park near the Sports Hall. This is run by parent volunteers and is open during term time on Fridays from 3.30pm to 4.55pm. Holiday opening times will be updated on social media and communicated to parents. You are also able to email the team using the following email address [kingsnearlynewuniformshop@gmail.com](mailto:kingsnearlynewuniformshop@gmail.com).

The Nearly New Uniform Shop will be unable to offer sample sizes to try on, and we suggest you use the intelligent sizing on the Schoolblazer website to assist you. Should you need to order more than one size, their returns service is very efficient.
